

TENSORS

APPLICATION FOR EXECUTIVES

Name : P Ganesh

Roll No : CH22B022

Mobile : 9000948506

E-mail : ch22b022@smail.iitm.ac.in

SECTION I GENERAL QUESTIONNAIRE

1)

- Tensors is a non profit organization by the students of IIT Madras aiming to help the society.
- Several social initiatives and organize social campaigns throughout the year and funds for these social events by conducting various exams and counselling programs for JEE and JoSAA.
- Help innovators and NGOs by providing technical solutions to their problems

Why do you want to join?

- I am applying for a technical role within Tensors because I am enthusiastic about applying my technical skills to contribute to meaningful projects.
- Providing technical solutions to innovators and NGOs aligns with my passion for applying technology to address real-world challenges.
- I am eager to collaborate with the team and learn as much as I can.
- I look forward to the opportunity to contribute to Tensors initiatives and further develop my skills.

2)

- I will make sure to balance my commitment to the team with my academics and other responsibilities.
- I plan to create a schedule that allows me to give my best to both.
- I am willing to dedicate 6-10 hours per week to Tensors, it may change as per requirements.
- I am confident in my ability to contribute effectively to the team while maintaining a strong academic performance.

3)

Some ideas for increasing team bonding:

- Fun Challenges and games
- Team Lunches or Dinners
- Communication Channels
- Collaborative Projects
- Skill Sharing sessions
